How do my donations get to Veterans

in need? Contact the Des Moines Veterans Administration Hospital directly at (515) 699-5818 to indicate that you have a donation to drop off. Donations can normally be brought to the Hospital Monday – Friday during the day. Simply indicate that you have donations through Operation Barnabas and the Hospital will help you to arrange a drop-off time.

Where will my donations be used?

Domiciliary: These Veterans are in residential care struggling with issues related to mental health, substance abuse and homelessness.

Day Program: This program is designed to give outpatient Veterans daily opportunities to receive group and personal therapeutic sessions, recreational activities and social opportunities.

Veteran Outreach Center: This program helps meet immediate needs for safety and shelter.

Thank you for supporting our Veterans!!
